

## User stories

=====

- As a user I want to see showcases of the web designs available so I can see the features and characteristics of the designs.
- As a user I want to see a search box so I can look for a particular web design.
- As a user I want to login to the site so I am authenticated user and can pay for the services.
- As a user I want to get a form so I can communicate my needs and get a budget.
- As a user I want to see and add to the cart button so I can order a particular web design.
- As a user I want to see a pay (checkout) button so I can purchase a particular web design.

## Owner stories / Admin

=====

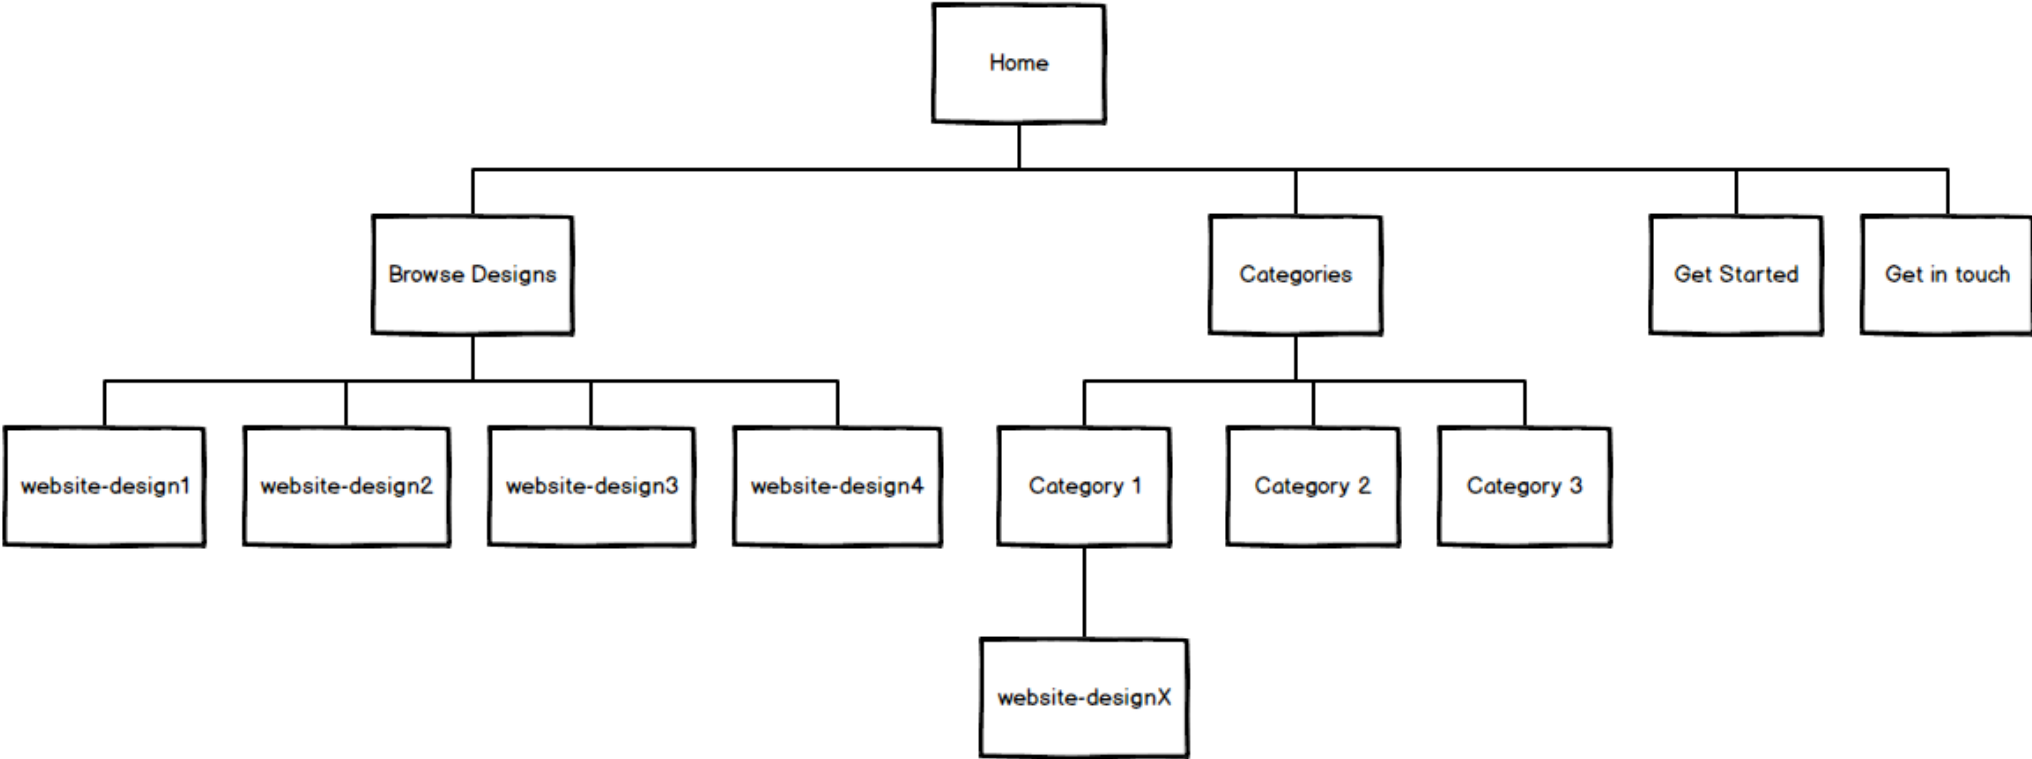

As an owner I want to earn money doing freelance web design work

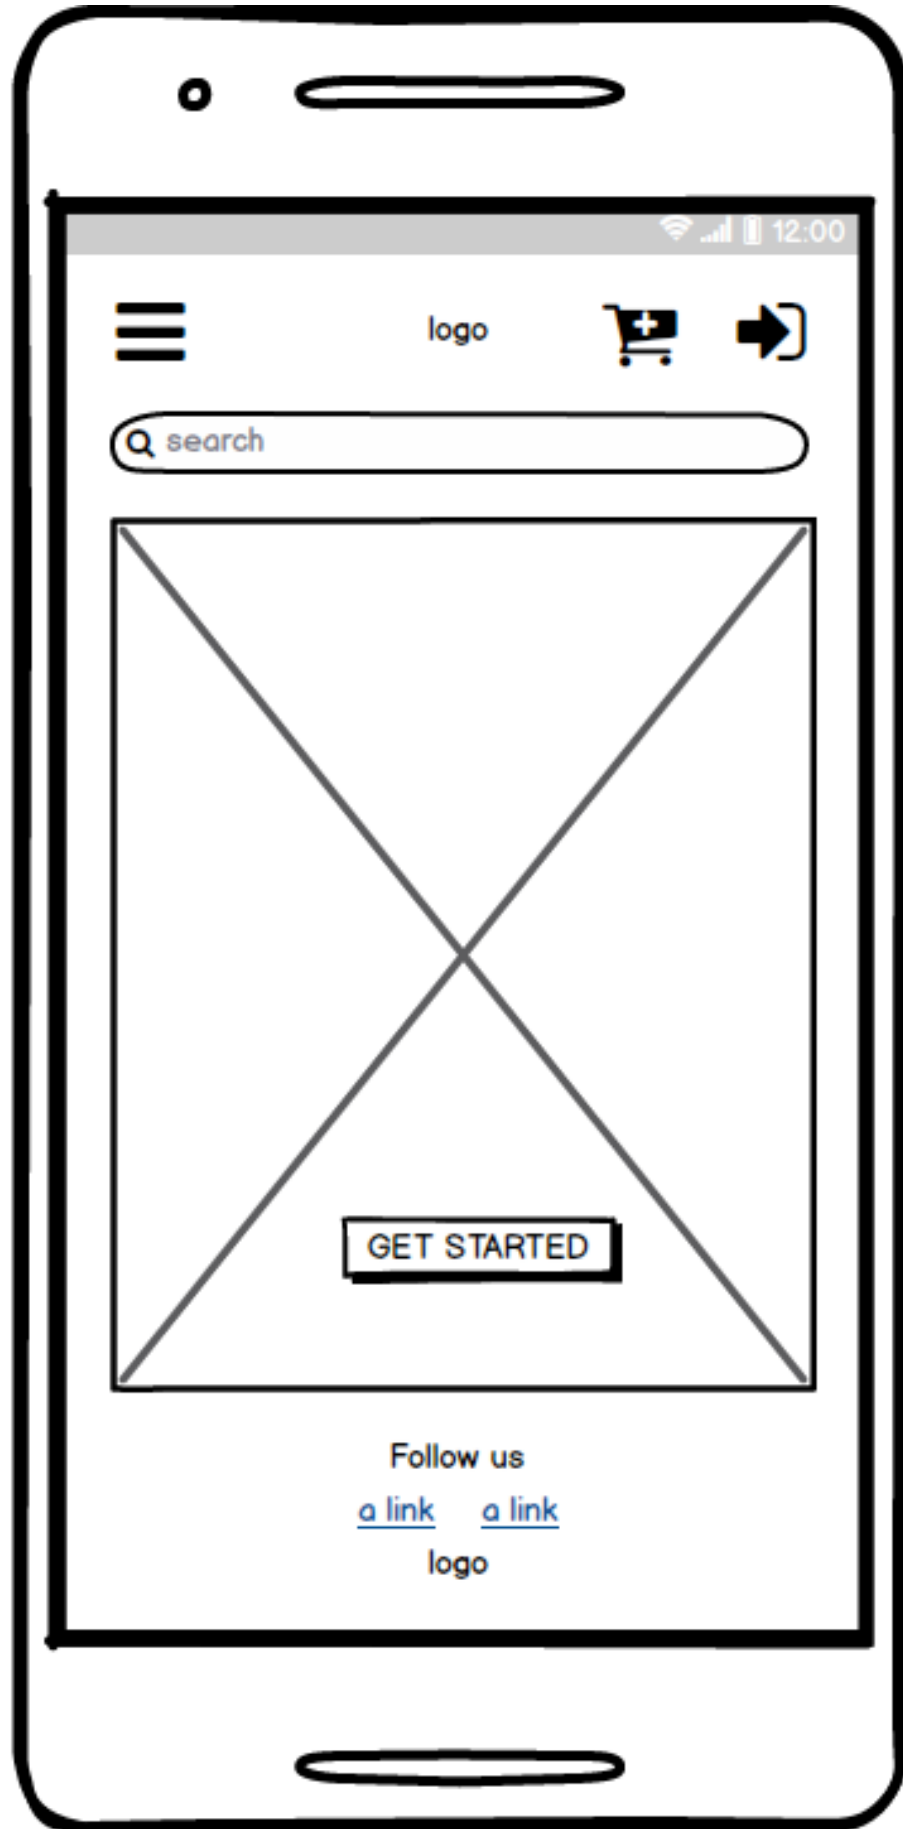

- As an owner/admin I want to showcase web designs so users can see how looks like the work.
- As an owner/admin I want to be able to see a list of orders so I can upload their completed work which would be made available to the customer.
- As an owner/admin I want to see the messages from users so I can reply them.
